2/1 BUYDOWNS ARE NOW ELIGIBLE!

Your path to homeownership just got even better! With HomeZero, you get 100% FHA financing AND can now take advantage of a 2/1 Buydown—meaning lower payments for the first two years!

How the 2/1 Buydown Works:

Year 1: Interest rate 2% lower than the actual rate

Year 2: Interest rate 1% lower than the actual rate

Year 3+: Payment adjusts to the full note rate

More Flexibility!

The 2/1 Buydown can be funded by the borrower, seller, or builder, making homeownership more affordable than ever.
