

## **FCM Appraisal Transfer Policy**

Pursuant to the specific requirements/documentation for each loan program outlined below, First Community Mortgage may accept Appraisals transferred from the original Lender. All transferred appraisals will be underwritten in adherence to FCM standard appraisal review procedures. Any corrections that are required by the Underwriter are to be requested through the original AMC. The corrections must be in color PDF and .xml format and e-mailed to the appropriate Appraisal Desk/Retail Processor. If the AMC/Appraiser is unable or unwilling to make the requested corrections, the transferred appraisal will be rejected and a new appraisal following FCM standard appraisal ordering process will be required.
