

DELEGATED CORRESPONDENT ANNOUNCEMENT 2019-41 September 24, 2019

USDA Guaranteed Rural Housing Update

At the beginning of each fiscal year, October 1, 2019, funding for the guaranteed loan program is not available for a short period of time (approx. 2 weeks). During this time, Rural Development will issue Conditional Commitments “subject to the availability of commitment authority” for purchase and refinance transaction. This message will be on the commitments:

"Funds are not presently available for this Conditional Commitment. The Rural Housing Service's obligation under this Conditional Commitment is contingent upon the availability of an appropriation from which payment for contract purposes can be made. No legal liability on the part of the Rural Housing Service for any payment on this Conditional Commitment may arise until funds are made available to the Rural Housing Service State Office where the application was submitted for this Conditional Commitment and until the Lender receives notice of such availability, to be confirmed in writing by that Rural Housing Service State Office. More specifically, this Conditional Commitment is subject to the Rural Housing Service receiving sufficient funds (in the Program Financial Control System for the Single Family Housing Guaranteed Loan program for the Type of Assistance and State of application submission) to fund this and all prior eligible outstanding applications in their entirety in the time and date order received in the State of application submission. When such funds become available, Rural Development will notify the lender, and the guarantee process will continue subject to all applicable Agency regulations and conditions set forth in this Conditional Commitment. Rural Development will not reserve loan funds for applications in process during this timeframe. Lenders may close the loan as scheduled. The lender will assume all risk of loss for the loan until Rural Development obligates funds and the Loan Note Guarantee is subsequently issued. When the lender requests the Loan Note Guarantee, the lender must certify to the Agency, using the process provided in this commitment, that there have been no adverse changes to the borrower's financial condition since the date the Conditional Commitment was issued by the Agency. The lender will submit the appropriate guarantee fee at the time they request the Loan Note Guarantee. The loan will be subject to an annual fee of 0.35 percent over the average scheduled unpaid principal balance of the loan. The Agency will not be able to issue the Loan Note Guarantee until these conditions are met and funding is obligated."

FCM will continue to purchase USDA loans with these modified approvals.

The Upfront Guarantee Fee for both purchase and refinance transactions for Fiscal Year 2020 will remain at 1% and the Annual Fee will remain at .35%.
