

WHOLESALE ANNOUNCEMENT 2020-19 April 27, 2020

Disaster Update

On April 24, 2020, the Federal Emergency Management Agency declared that federal disaster aid with individual assistance has been made available to the counties listed below. Effective immediately, the following counties in TN have been added to the disaster list due to severe storms, flooding, straight-line winds, and tornadoes. The following counties will require a post disaster inspection prior to funding. The disaster start date is April 12, 2020 through end date of April 13, 2020.
