Condo Update:

- The flexibility that allowed for a reserve study in lieu of the condo project meeting the 10% budget reserve requirement is being suspended. Reserve studies are an important tool to help HOAs plan for future needs. However, projects that budget less than 10% of the HOAs assessment income may be at increased risk for significant deferred maintenance and special assessments. Exception request can be submitted through the Project Eligibility Review Service process for established projects. New projects will not be considered at this time.
